

## KHULNA CITY CORPORATION

উন্নয়নের গণতন্ত্র  
শেখ হাসিনার মূলমন্ত্র।

Mayor policy for Khulna City dwellers to solve water logging and to create clean drain and clean city.

- ⇒ Do not throw household waste on road, drain and canals. Help to remove yours kitchen waste in the KCC's Three Wheeler Van at the Ward level. Make a Practice to keep the dirt in fixed place of the Kcc's Container.
- ⇒ Do not create water logging by throwing polythene, plastic bottles and plastic waste, coccid (Sola) etc in the Drain.
- ⇒ After opening the shop in the morning, do not throw brooms dirt on the roads or streets. Use basket to store dirt in shops, hotel-restaurants, office and courts.
- ⇒ For daily house duties, office, courts, educational Institutions, medical center etc. Clean the dirt rubbish daily and keep everyday's waste at Specific places / KCC's Containers.
- ⇒ Your home and organizations Septic Tank Outlet connection in to Kcc's drain and Cannel must be avoided.
- ⇒ Use the Sanitary latrine and build your Septic Tank in compliance with Bangladesh National Building Code (BNBC).
- ⇒ Clean the Septic Tank at least 01 (One) time per year. Take KCC's modern Vacuum Truck service to clear the Septic Tank for ensure the City's haygain.
- ⇒ For Hospital, clinic, Pathology and diagnostic center keep organic / inorganic clinical and Plastic waste in different basket and help KCC to take them away everyday.

**Come together, we all assembly to make Khulna as a clean city and Co-operate for modern & digital Bangladesh.**
